Issue 3 March 2016

Access and availability

The Resource Unit has had a busy time over January and February. Some people are finding it difficult to locate the Resource Unit. We are based within the Central Stores Building on the Hospital Road and can be accessed via the Gate for Car Parks 12 – 15. The Resource Unit (RU) will also be added to the blue signage for Car Parks 12 – 15.

We are also making some changes on how the RU may be accessed outside the RU's usual business hours. If you are planning to access the RU (outside business hours) then please follow the instructions below:

1. Report to the reception area of the Central Stores and ask for a key to access the RU
2. Sign in the RU's After Hours Visitors Logbook and wear the fluoro vest provided
3. A key to the RU is available from the Manager, Central Stores
4. Access the RU – remember to follow all the H&S rules as the Central Stores has many hazards.
5. Take a "Resource Order Form" from the trolley in the RU. You can also pre-print these (see below)
6. Get the necessary resources that you need
7. Enter all the details (by columns) in the "Resource Order Form" for each of the resources that you have taken.
8. **IT IS VERY IMPORTANT THAT YOU FILL IN THE "RESOURCE ORDER FORM" ACCURATELY. THIS IS VERY IMPORTANT FOR STOCK MAINTENANCE.**
9. If you do not find the resource you want, please put in the details on the "Resource Order Form" with the quantity you require and I will order them for you
10. Lock the RU and leave the key and the fluoro vest at the reception of the Central Stores

This arrangement has been put in place for your convenience on a 2-months trial basis and if successful it could be continued further. *So please follow the instructions and help us to provide better service to you.*

NOTE: Do not remove any equipment from the RU unless prior arrangements have been made with me or Warren Moetara (Team Leader, Healthy Lifestyles, Public and Population Health Unit).

[Resource Order Form can be printed from here](#)

Stock Recording Programme –Accredo

The Data Base is getting easier to use. I may not always have the resources you require. [Why not....](#)

- Email the completed print resource order form to resources@northlanddhb.org.nz (I may prepare them for collection if desired) OR
- fax.09 4304493 OR
- Place your order on www.healthed.govt.nz
