Issue 11, April 2017

A number of immunisation resources are being updated to reflect changes to the National Immunisation Schedule. These will be translated and posted to HealthEd as content is confirmed by the Ministry of Health. These changes will go into effect from 1 July 2017. Two new resources are being developed to support Immunisation Week (1-7 May), including a pamphlet to educate parents on the importance of immunising against chickenpox (varicella) and a new 'Protect your child' immunisation milestone poster in te reo. These will be available from HealthEd the week commencing the 17th of April. To order these new resources, please visit: <https://www.healthed.govt.nz>

New Resources

HE1221: Immunise – their best protection – updated poster effective from 1 July for the new Schedule but in the warehouse now and to replace existing copies

HE2519: Immunise against chickenpox – English – copies expected to be available before Easter

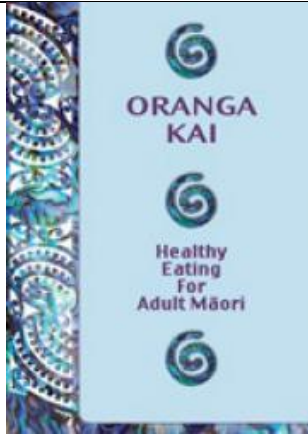

HE2520: Immunise against chickenpox – Maori – copies expected to be available before Easter

HE2521: Immunise – their best protection – new Maori poster effective from 1 July for the new Schedule but can be ordered now
