You may be aware that the Resource Unit is now based in the Central Stores Building, NDHB Hospital Site, Gate 12-15, Hospital Road. The open hours are recorded above and the Unit is not accessible outside these hours.

Resource Unit Access: please access through Gates 10-15 parking barriers. When entering please take a ticket and proceed left and park in the Visitors carpark outside Central Stores.

Entering the Central Stores building: Please advise the counter staff that you are visiting the Resource Unit. You will be required to sign in and asked to wear a reflective fluoro vest. These are health & safety requirements for the building. Thank you for your co-operation.

Exiting: Parking is free for 60 minutes. Upon exiting, if less than 60 minutes, please pop the ticket in the dispenser and exit. Please note any payments for parking will need to be by eftpos only.

Stock Recording Programme –Accredo

A new stock programme-Accredo has been introduced to record specific data around the provision of health Ed and other resources. An A5 catalogue will soon be available from which you can order.

Every item needs to be counted and recorded, making it time consuming. You may wish to pre-order to reduce your waiting time. Please email resources@northlanddhb.org.nz

or fax. 09 4304493 or

visit the healthed website. www.healthed.govt.nz

HealthED catalogue: MOH are looking at reintroducing the hard copy of HealthEd catalogue. I will keep you informed of any developments. Please email resources@northlanddhb.org.nz should you require an e-copy .

Equipment Orders: Please note, equipment may not be readily available. To avoid disappointment, kindly give at least at least 5 days' notice; especially if it needs to be sent to the NDHB in the district.
